~UniFind~

University Representative

September 28, 2020

Overview

Deciding where to go for university has not been an easy task for most students. In fact, it is estimated that 20% - 50% of students enter college still undecided and over 75% of students change their major at least once before graduation.

UniFind aims to create an innovative platform that will help high school students make the right choice of university and program through current students' real-life experience. UniFind is very excited to bring this opportunity to both university students and high school students.

Our team has spent countless hours connecting with both university and high school students to make this possible. We have received numerous interested high school students and are now recruiting university students to make this opportunity possible.

Join the Side Hustle – Lead and Earn an Income

1. **Represent your University.** Lead virtual calls to share your university experience while answering questions and sharing resources.

2. **Earn an income.** Get paid for every call you have with the high school students.

3. **Build your resume.** Attract employers with your leadership position and side hustle.

Responsibilities - University Representative

1. **Virtually lead calls.** Guide High School students through their process of choosing a post-secondary school. Share your true experience while at university, answer appropriate questions, and provide helpful resources where applicable.

2. **Stay connected with your team.** Attend bi-weekly virtual meetings with your team. These meetings will be led by the University President and will provide you with the opportunity to ask questions, share friendly updates, and consistently work together to achieve further success!
